IN MEN'S FURNISHING GOODS

You will find big bargains. We have a very large stock, and our prices are beyond compare with others. The secret of our success is in our business in business is the result of selling goods cheap. When we first came here to do business, we was controlled by two firms. We started in selling goods cheap, and then persons in selling them dear. The result is that to-day we do not have to go to the market, and they repeat their folly in letting us get their trade and the public's confidence away from them.

RECOLLECT ANOTHER THING.

We claim that the man, firm or concern that sells the same quality of goods for the least money is the house to trade with, and it is for you to ascertain who does sell the cheapest. Of course, the People's Store claims to be the best, and is you trade with us you will find it so.

We have no one to compete with us, and we are the only store in the city to do business with us.

We are confident, beyond a doubt, that our shoes are better and sold for less money than any other store in the city.
